

KERALA UNIVERSITY COLLEGE OF TEACHER EDUCATION, ANCHAL

ANNUAL REPORT 2017 (01/01/2017-31/12/2017)

Brief History

The University of Kerala has established ten center's for Teacher Education to offer the B.Ed Course under its direct control and supervision with the approval of the University of Kerala as part of its general policy to initiate steps to promote Teacher education as well as to accommodate the large number of highly qualified candidates who seek admission to B.Ed course of other states and within the states and who are often forced to enter Teacher Education Centres in other states in carrying high financial expenditure and where the quality of education is not assured. It is the proud privilege of the Syndicate of the University of Kerala to translate the scheme into reality and to present the prestigious center's to the discerning and enlightened public of Kerala as a well-conceived measure which is a significant step into endeavours to maintain and improve standards in higher education in general and professional education in particular. The KUCTE Anchal is one of the ten prestigious institutions established by the University in the eastern hilly region of Kollam District, Kerala State. The college which was originally started functioning in 1994 at Punalur was shifted to Anchal in 1998 in view of better facilities . Since then its has been functioning in its own campus at Government H.S.S, Anchal West.

Mission

Our mission is to secure the nation by supplying ideal teachers-well versed in the subject, dedicated to the cause of education and ever willing to guide the younger generation in the right path. We always focus on the promises kept and the miles to go to reach the destination.

General discipline of the Institution

A discipline committee was formed in the institution with principal as chairperson and Mr. Vijayan M.G, Asst. Prof. In Physical Education, Mr. Uduman Kannu, CDC Vice President and Vishnunath M, College Union Chairman as discipline committee members. With the help of discipline committee the college runs in a well-disciplined manner and settles issues and problems when and where arises.

Opening of Two year B.Ed Course

As per the NCTE norms classes started on the 27th of July 2017 this year. All the parents accompanied their wards to attend the one-day orientation conducted by the institution for familiarizing the new two year course to them. Very positive response was expressed by the participants.

Facilities /Admission

As per the direction of the NCTE the college offers admission to 50 in four optional subjects (English, Malayalam, Natural Science, Physical Science) every year. Admission to the College is made from the rank list prepared on the basis of merit and principles of communal reservation. The college has well stacked library with more than 7250 books, 150 CDs and more than 25 journals. The college also has a well-equipped Computer Lab, Language Lab, Science Lab (Physical Science and Natural Science) Psychology Lab and Physical Education Lab etc.

The college has been functioning in four permanent buildings which were contributed with financial aids of PTA, MPs, MLAs and Local Self Governments.

The process of admission for the academic year 2017-18 completed by 11 August 2017. The total strength on the role is 50. The subject wise distribution of strength is as follows:

English	18
Malayalam	09
Physical Science	10
Natural Science	13

There are 05 men and 45 women among the students in this year. The classes began on 27th July 2017.

College web site with college blog

The college web site (<http://www.kucteanchal.org/>) is undergoing up gradation and updating with a new outlook. It includes the short history of the institution, its geographical position, 2015-17 and 2016-18 admissions, details of students, faculty members, non-teaching staff members, achievements of the institution, departmental wise activities and all the other relevant and required details regarding the institution. Students are also creating Blog to update day today events and their reflections.

CCTV and Public Announcement System

As per U.O CCTV has been installed in important rooms especially for examination purpose. Mini hall and multi purpose hall are connected with public announcement system. The Principal could inform all the important information to the students through this system then and there itself.

Equipping Laboratories

The institution has given due importance in equipping all the laboratories as per the requirements in the revised curriculum with the financial assistance from the CDC.

The Physical Science Lab with all the required apparatus, chemicals, solutions, charts, manuals etc. is organized with necessary guidelines to the students for handling the items in the Lab. With new books and other reading materials a new science library is organized by Smt. Deepthi S.

Natural Science Lab with microscope and purchasing a Bone Set with the fund provided by the CDC, new specimens, reagents and other equipments and materials required for practical, repairing the aquarium, purchasing new charts for imparting new concepts in biology etc. gave a new vigour to the students organized by Smt.Vanaja M.

Sports and Games Lab

A well equipped Physical education Lab with all sports, health and for yoga- meditation items is the proud of this institution. The students and teachers are properly utilizing the facilities for enhancing their health organized by Sri. M.G.Vijayan.

Language Lab

Language Lab facility was installed with enough software and Head phones and other required equipments in the Computer Lab itself as there is scarcity of computers for a separate Lab. Students are making the best use of the same organized by Smt. Sindhu B.S. and Smt. Anna Rolls G.

Computer Lab

As per the revised curriculum a well-equipped Computer Lab is unavoidable. Steps were taken with the financial assistance of the University of Kerala and the CDC to meet the requirements. Much sum was spent for installing anti-virus facility, changing the battery, UPS, CPU, Mother Board with complaints, upgrading memory, necessary electrifications and other connected works. This computer lab is utilized by students to create Blog, e-mail, power point presentations, online assignments, video script, to familiarize different educational free software, capacity building programmes etc. The University 'online examination' 2017 could be conducted for our students in this institution itself organized by Hazim M.M.

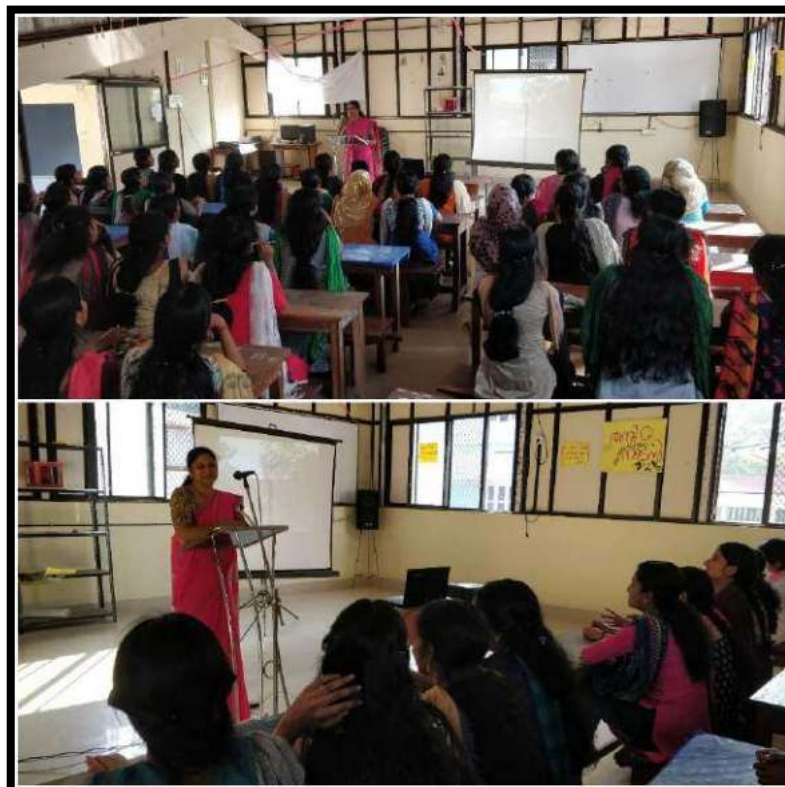

Smart Class Room

With the LCD projector, Laptop, sound system, Screen and other equipments and furniture a smart Class room was set up in the college. It is an added boon for organizing various functions, seminars, debates and workshops. Required modifications are made in the classroom organized by Hazim M.M.

Technology Lab with its various technology equipments helps the students to make use of over head projector, slide projector etc in the best manner organized by Smt.Susan George

Psychology Lab with all the equipments for practical experiences in the learning theories of psychology provides opportunities to the students to equip themselves in this field organized by Smt.Bindu S Nair.

Art Education Lab

A wonderful art education lab showcased art materials made by students themselves under SUPW programme. The lab also had different types of scissors, art boards, brushes, etc organized by Hazim M.M

College Notice Board and Redressal cell

A small but very useful item in the college happens to be are the Notice Boards in the institution. All the news items of importance, current events associated with education and science, club activity news, university news, academic and related information in co-curricular activities found space in the various notice boards placed at different corners of the college. Students could inform their grievances in the complaint for which the grievance redressal cell takes prompt and suitable decisions on the issues.

Library

In this College there is a well equipped, a well arranged, Library having a total number of 7250 of Books in various subjects. Moreover thousand numbers of reference books are there.

Encyclopedia 202, Reference 239, Dictionary 80, Journals 25
New journals are added to the stock as per the NCTE norms.

Achievements

Our Alumni work as teachers and officials in almost all states of India. Some of them have gone abroad. Govt.H.S.S, Anchal West school attached to the college was the most backward one before the college started functioning in the campus. But now it has become one of the best school in the Educational District. We enjoy the patronage of the Adv.K.Raju, Hon'ble Minister and Smt.Jagadamma, District Panchayat President Kollam and authorities of Local Self Government bodies like Grama Panchayat, Block Panchayat and District Panchayat. They are always willing to extend all possible help to the college. Most of the students studying in this institutions are hailing from families of financially weaker sections of the society. We have been maintaining an excellent academic record for the last several years. Most of our students pass the B.Ed. Degree Examination in first class with distinction. Recently our students won first rank twice in the University examination. Since its establishment, the college has been making a steady progress in the field of teacher education. The outstanding achievements in co-scholastic activities and the academic excellence of this college are admirable. A set of well-trained students come out of this college with triumphant colors every year.

02. Anna Rolls (Asst. Prof. In English)

We, the English optional of Kerala University College of Teacher Education, Anchal are happy to mention a few programmes carried out by the first semester B. Ed students.

Association Inauguration

The English Association '*AROHA*' was inaugurated on 11 October 2017. The meeting was presided by the Principal Dr Binu. B.L. In that function, the students performed many programmes including power point presentation.

Spell Bee Competition

As a measure to improve the pronunciation skill of the B. Ed students, the English optional conducted a spell bee competition for all the optional as part of '*AROHA*'.

Manuscript Magazine

On 11 October 2017, a manuscript magazine of first semester English optional B. Ed was released by Principal Dr Binu B.L. It includes stories, poems, literary quiz, paintings etc.

Notice Board

A notice board is made by the effort of all the students for posting public messages, to announce events or to provide information.

Field Trip

The field trip as per the curriculum was on 6 October 2017. It was a journey to the capital city, Thiruvananthapuram. With the guidance of principal, teachers and non-teaching staffs, the students visited Planetarium, Zoo, Museum, and Art gallery. It was an informative and enjoyable journey.

Women's Day celebration

The English optional of KUCTE conducted a women's day celebration on 8th of March 2017. The official announcement for the program was presented in the form of flash mob in which all the students of English optional participated. The title for the program was "Breaking the Silence". The programme was inaugurated by Yeroor SI Smt. Rema. A wide variety of programs were sequenced as part of womens day. A self defense program was conducted by martial arts trainer which was truly an asset to all the women. The program begun with a mind blowing song by Shira S Ali which was followed by a

dashing performance of the students. Other programs include gaming session ,quizzing, musical drama etc.

All the programs were relevant to the day especially the musical drama stressed on women atrocities, and gave an awareness on the values of womanhood. Entire program came to an end by giving a tribute to the women who had lost their valuable lives. The program came to an end by 3.30 pm.

03. Vanaja M. (Asst. Prof. In Natural Science)

School Induction Programme:

School induction programme is organised to get the students initiatory school experiences. During the present year the programme started on 12th January 2017. The school selected are Jawahar H S S Edamulakkal and Jawahar H S Ayoor. The programme was for five days.

Republic Day Celebrations:

The 68th Republic Day was celebrated in our college and our Principal Dr. Binu. B. L. inaugurated the function. Many competitions such as Patriotic song, Elocution, and Quiz were conducted in connection with this. Students of Natural Science won third prize in patriotic song competition.

Cancer Day Celebrations:

Cancer Day is celebrated on 4th February every year. Our department celebrated Cancer Day on 6th February by giving an awareness about cancer, the factors that lead to the disease. They also presented a video depicting the different aspects of cancer.

Science Day Celebration 2017:

Science Day was celebrated on 27th February 2017. In connection with this we organised One day State Level Seminar on “Science and Technology for specially abled persons” sponsored by Kerala State Council for Science Technology and Environment, Pattom, Trivandrum and supported by Department of Science and Technology, Government of India. The Seminar was inaugurated by Dr.R.Jayakrishnan, Asst.Prof., Department of Physics, Christian College, Chengannur. The first session of the seminar started with a presentation by Dr.R.Jayakrishnan at 11.30am. The main theme was “Gadgets that can transform the life of differently abled”. It was an useful session mentioning the relevance of technology and the accessibility of it for the differently abled.

The second session was by Dr.Premlet, Rtd.Prof., TKM College of Engineering, Kollam. The way he presented each topic was lively and very effective. The session was very interactive. The next session was a slide presentation by students.

Valedictory session was inaugurated by Dr.Premlet, Rtd.Prof. TKM College of Engineering, Kollam. The Certificated and Trophies for the different competitions in connection with science day celebrations were distributed by the chief guest. Different competitions are – Quiz competition (Arathy.B. and Liby Thomas – Ist prize, Arathy Mohan and Sreekumar – Iind Prize). Elocution competition (Mahesh.M. – Ist prize, Jaya.K.G. – Iind prize). Essay writing competition (Jaya.K.G. – Ist prize, Aswathy.M.S. – Iind prize), Poster making (Aiswarya Soman – Ist Prize, Vindhya.V.S. – Iind prize) and Slide presentation (Athira Vijayan – Ist prize, Vindhya.V.S. – Iind prize).

Forest Day Celebration:

Our students celebrated the Forest Day on 22nd March 2017 and our Principal Dr.Binu.B.L., inaugurated the celebrations by planting trees on the college premise.

Aquarium Setting:

As part of Natural Science Association, our students set up an Aquarium in the Principal's room.

Chingam 1 Celebration(The first month of Malayalam Calendar):

Chingam Onnu is the day one in Malayalam Calendar. Natural Science students celebrated this day by giving awareness about the significance of Chingam Onnu. They conducted quiz programmes (Geethu of Malayalam optional won the Ist prize and Sophi.T. Alex of Physical Science optional got the IInd prize) and group song.

Onam Celebration:

We celebrated the festival onam by making Pookkalam, Sadhya and conducted different variety entertainment programmes.

Drama by Kerala Police Department:

Police Department arranged a drama about Drug abuse for making awareness of ill effects of Drugs on 15th September 2017. After the play they also had plenty of discussion sessions to flourish more about drug abuse and how to control it.

Ozone day Celebrations:

Ozone day was celebrated every year on September 16th all over the world. Natural Science celebrated ozone day on 20th September 2017. The programme started with an introduction with the significance of ozone day and the need for celebrating the day. They arranged a talk giving information about International Ozone Day, its history, Ozone Layer Depletion, Ozone Hole and the various causes and effects of Ozone layer depletion. The next session of the programme was a video presentation. It depicts the causes and effects of Ozone layer depletion and the need for the protection of Ozone layer. Third session was a quiz competition. All the questions selected were related to ozone day and ozone layer depletion. The students of Physical Science got the first prize. The next session was oath taking. The Oath was about the protection of Ozone layer. After that the students arranged a chart presentation. All the students of the Natural Science Department prepared and brought charts related to ozone day.

Campus Cleaning and Beautification:

On 22nd September 2017 our students took part in Campus cleaning. They cleaned the college premise and planted medicinal plants. After that college arranged a small refreshment for the students.

Gandhi Bhavan Visit:

Gandhi Bhavan is an institution for the old aged persons and orphans situated at Pathanapuram. On 27th September 2017, we the students and teachers visited Gandhi Bhavan. By forming different groups, we observed the different services available in the institution, the inmates and shared their

experiences with our students. In the afternoon, our students conducted variety entertainments for the inmates.

Field Trip:

We conducted a field trip on 6th October, 2017 as part of curriculum. The destinations are Science Museum and Planetarium, Zoo, Museum and Art Gallery in Trivandrum. In the Science Museum there are 3D shows, 6D shows, Planetarium show and exhibition. We saw a garden of medicinal plants around the premise.

In the afternoon we visited the Zoo and Art Gallery. The students collected many data and photos from there.

District Science Exhibition:

On 6th and 7th November 2017., the students of Natural Science participated in Science Exhibition as volunteers at VHSS, Anchal East.

File Making and Envelope Making:

On 4th November 2017., the students made files and envelopes and supplied to different institutions near the college as part of the social service.

04. Deepthi S. (Asst. Prof. In Physical Science)

Physical Science Association programme inauguration was held on 21.08.2017 in the morning assembly conducted by Physical Science students with a flash mob, that was the announcement of a skit which is going to be presented at 3.2 pm at in the assembly hall. The skit was written by Vipin. The skit was based on pollution that was happening in our day to day life which was caused by plastics. Name of the skit was 'Bhaviyilekkoru Karuthal'. Through the motivational skit, the students introduced 4 R's to the viewers (Reduce, Reuse, Reuse, and Recycle) to avoid the bad effects of plastics

SKIT

An exhibition was conducted on 22.08.17 Tuesday at 3.00 pm. Each students of Physical Science was presented their own working models and still models. They explained the principle, working and uses of the models prepared by them to other students.

A programme '**Introduction to Great Scientist**' the power point presentation prepared by the Physical Science students to introduce great scientist from physics& chemistry. That presentation contains the works and contributions of 15 scientists.

A **field trip** to science and technology museum TVM was conducted on 06.10.2017. At first we visited the museum where many models and stimulus were exhibited. It helps to motivate the students attitude towards science. Then there was a 3D show on Jurassic World. It was concerned with the extinction of Dinosaurs. Then there was a 6D show at the planetarium. The show was based on the origin of universe and origin of plants. It was thrilling and interesting. Since all the students were in a real world of plants for a short time. It was an unforgettable experience to the students.

A notice board display was organized as a part of our association. The students presented science related news & interesting facts every day. The display as per their role number.

The **physical science library** formed during the academic year (2015-2017) was elaborated by 2017 -19 batch through their contributions of used books and new books. The library consists of 50 books which having six optional text books.

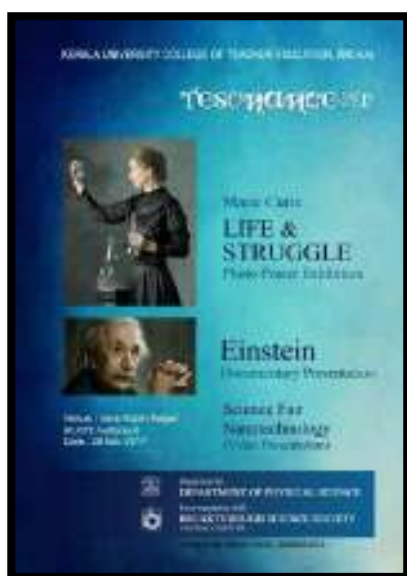

The students from the physical science department actively participating in all the programs that are organized by the college (**Independents day, Onam celebration, Gandhi Bhavan, Teacher's day etc**).

OTHER ACTIVITIES

National Science Day celebration 2017:

In connection with **National Science Day celebration 2017** Physical Science optional students conducted **“Resonance 2K17”** in corporation with break through science society Anchal chapter on 28.12.2017. Photo poster Exhibition depicting the life & struggle of Marie Curie, documentary presentation related to life and discoveries of Einstein and a video presentation on Nano technology were part this programme. Students from St. John’s School, Anchal, B.V.U.P School, Anchal participated and enjoyed programme. The programme was an inspiring one.

Conclusions

The core factor in improving a college system is the co-operation of both students and colleagues. I am very fortunate to have an efficient team of Asst. Professors, non-teaching staff and CDC members who supported me in all my endeavors. I do extend my gratitude to all the teaching and non-teaching staff, union members, prospective teachers, College Development Committee members of this institution and the well-wishers in the office of the University of Kerala.

05. Susan George (Asst. Prof. In Perspectives in Education)

Second semester class of 2016-18 Bed batch started on 09-01-2017 **capacity building programme** was conducted in March based on the concept that the influence of meaningfulness of words affect the refraining capacity of students 1 semester classes of 2017-19 Batch started on 27-08-2017.

As a part of **SUPW**, we conducted a visit to Gandhibhavan Patthanapuram with 1st year students on 27/09/2017. All staff and students contributed their share to Gandhibhavan.

A debate was conducted on the topic-different schools of philosophy on 17-10- 2017 **Teacher's day**' was celebrated in general class by first year students very nicely and effectively and each students participation was ensured in that programme. The teacher evaluated their capacity in doing different works for it. It helped a lot to make awareness about the responsibilities of a teacher in nation-building.

A **quiz programme** was conducted for second year students on the basis of some portions from perspectives in education. In the third Semester also conducted capacity building programme by giving different topics and made a talk on it.

Other Activities

Onam celebration, Republic day, Independence day, Science day, Food fest, Yoga classes **Women's day celebration (Sakhshi-2K17)** were conducted in college and all students participated in it.

Report of Technology Department

Computer lab activities were conducted by the first semester students they could make awareness about ICT based education. The practiced in making different types of slides and how they can be used to prepare lesson plan. All students created their own Blogs and posted some matters in it.

06. Vijayan M.G. (Asst. Prof. In Physical Education)

According to National Plan of Physical Education and Recreation. "**The aim of Physical Education must**, be to make every student physically, mentally and emotionally fit and also to develop in him such personal and social qualities as will help him to live happily with others and build him up as a good citizen." We arrange lab and make classes on this basis.

A well-equipped Physical Education Lab with all sports, health and for yoga- meditation items is the proud of this institution.

As part of the B.Ed. curriculum we conduct **annual Sports meet** on 10th March 2017 venue at college ground. The students of 2016-2018 batch was participated in the competitions. Various competitions were conducted. Athletics and various games were conducted for the students. The annual Sports Meet was inaugurated by **Prof. Shanavas** (Rtd. Physical Director, Govt. Medical College, Alappuzha). Competitions were conducted by House wise. We gave medals and certificates for the winners.

Regular assembly and thought for the week also conducted. We form **sports club and health club** and conduct various awareness classes. Regular **yoga** classes were conducted.

Besides to the fundamental knowledge in health and yoga students acquired in-depth knowledge by interacting with veterans in each realm. A lecture and demonstrative class of Yoga practitioner **Gopinathan** class arranged on 21-06-2017 (**International Yoga Day**).

07. Hazim M.M. (Asst. Prof. In Performing Arts)

All the lessons in 2017 were based on the slogan ‘**Learning through Theatre**’. In addition to that there were classes on fundamentals of Dance and Music. Through different kinds of theatre games students learnt how to express their ideas and impart their knowledge effectively.

In order to teach how to convey concepts through plays, a play named ‘**Nammukku Jathiyilla**’ (I have no caste), Kerala Shastra Sahithya Parishath, was performed by the students. They also had plenty of discussion sessions to flourish this idea. There were workshops on how to convert classroom lessons into scripts and how to present them to an audience. As part of the curriculum students performed various types role plays and mono plays.

Besides to the fundamental knowledge in Music and Dance students acquired in-depth knowledge by interacting with veterans in each realm. To learn the traditional traits of Indian Dance Forms and music, a lecture by **Ms. Shanthi Krishna, Director and teacher of Amrita Nirtha Kalabhavan, Idukki**, was conducted. It also helped the students to learn how to identify and encourage their student's talents in future. Classes on paintings and the historical development of paintings were also conducted. The depiction of Nature and beauty on a Canvas by men proclaims the bonding of man to Nature. To comprehend this idea a movie titled '**Baraka**' directed by **Ron Fricke** was screened to the students.

Students exhibited their creative skills by making decorative items out of waste materials and made exquisite glass paintings. They also produced about 200 files and distributed to the nearest government offices. Organized a **College Arts Day** to encourage the creative skills and talents of the students. The total students were divided into four houses.

In short, students were given trainings that help to mould a group of teachers with creative thinking and rational interference who have social responsibility and cultural awareness.
